To the Trinity Student

THE HANDBOOK, unlike the College Catalogue, contains information which is principally non-academic in nature. It serves as a handy reference for the undergraduate and will provide many answers to questions which will arise concerning the life of the college community. In addition to the college regulations, it has information about campus organizations and their officers; the Constitutions of the Senate, the Interfraternity Council and the Freshman Executive Council; the academic, social and athletic calendars; and information of a general nature.

Each undergraduate is held responsible for knowing the rules and regulations of the College. Annually there are various changes in the regulations, in the constitutions or in organizations, so it is strongly recommended that each new issue of THE HANDBOOK be carefully reviewed.

General Information

TRINITY COLLEGE, Connecticut's second oldest college, was founded in 1823 by a group of Episcopal clergy and laymen under the leadership of Bishop Thomas Church Brownell as a non-denominational liberal arts college for men. Further information concerning the history of the College may be found in the Catalogue Issue of the *Trinity College Bulletin*.

The Campus

If you enter the campus from the parking area through the main arch in Downes Memorial Clock Tower, you will pass beneath the Trustees' room. An entrance in the arch to the right leads to the offices of the Treasurer and Comptroller, of Placement, of Development, of Alumni, and of Admissions. An information desk is located in the main hallway.

Leading from the arch to the left is a Cloister which connects Downes Memorial with the College Chapel, one of the finest examples of Gothic architecture in the United States. The rose window, the stained glass window over the altar, the carvings, the Chapel of Perfect Friendship, and the Crypt Chapel are all worth careful study.

To the right of Downes is Williams Memorial. Here are the offices of the President, the Dean of the College, the Director of Student Affairs, the Dean of Students, the office of Graduate Studies and Summer Term, the Assistant Dean and Registrar, the Cashier, the Business Office, Central Services, Public Relations, and some faculty members.

Turning left in front of Williams Memorial and proceeding down the Long Walk you have the first seven sections of Jarvis Hall (1878), then Northam Towers (1881), and finally the section of Seabury Hall (1878). Jarvis Hall and Northam Towers are dormitories. In addition to individual faculty offices, Seabury Hall contains classrooms and the language laboratory.

Continuing down the walk beyond Seabury you will find at the south end of the Quadrangle, Hamlin Dining Hall and the Faculty Club in Cook Lounge. Upstairs are the Cook-A Dormitories and the College Guest Room. The southern extremity of this building, right next to Mather Hall, is occupied by the Medical Office and the Infirmary.

If you do not enter the Cook Arch, you will see stairs on your right leading to the Campus Laundry. Turning to your left and walking straight, you will see the Cook-B and Cook-C Dormitories, the Woodward Dormitory

and the Goodwin Dormitory and Lounge. Directly in front of you is the Clement Chemistry Building which adjoins Goodwin and contains the Kriebel Auditorium.

The Library, located across Funston Court directly behind the Chemistry Building, contains more than 450,000 volumes and houses Trinity's valuable 130,000-volume Watkinson Collection, and the studios of the Connecticut Educational Television Corporation.

Passing through Bancroft Arch, which separates Goodwin Dormitory from the Chemistry Building, you will face the south portion of the campus.

Directly before you is Boardman Hall which contains the Museum of Natural History and the laboratories and classrooms of the Departments of Biology, Geology, and Psychology.

On your right is William Gwinn Mather Hall, the student center. It contains a large student dining hall; a snack bar; student lounges; game rooms; bowling lanes; Post Office; book store; student lockers; headquarters for the Medusa, the Senate, the *Tripod*, and the *Ivy*; other student meeting rooms; the Washington Room, a large assembly hall; and the Alumni Lounge.

To the south of Mather Hall are two dormitories, Elton Hall and Jones Hall. Beyond these dormitories is the South Campus Dormitory which houses 250 students.

The Hallden Engineering Laboratory and the McCook Mathematics-Physics Center are located behind Boardman Hall and to the left of Jones Hall as seen from Bancroft Arch. The Austin Arts Center forms the east side of the quadrangle. It houses the Department of the Arts - Drama, Fine Arts, and Music.

Beyond the Austin Arts Center are found the tennis courts and Trowbridge Memorial, housing the swimming pool, six championship squash courts and athletic offices.

Adjoining the eastern end of Trowbridge is the Alumni Field House, which provides facilities for many indoor sports.

Returning across campus from the Field House toward the Chapel, you find the soccer, football, and practice athletic fields to the right; in the center lined by two rows of trees is the Mall, bisecting the campus east to west; and to your left is the statue of Bishop Brownell and the Long Walk on the far left.

Beyond the Chapel toward Vernon Street is Alumni Hall, which contains the gymnasium for intramural sports. Down the walk from Alumni Hall is the home of the President of the College.

The fraternity houses, with one exception, are on Vernon Street. Situated on the corner of Vernon and Summit Streets is Ogilby Hall, a dormitory building including Haight Dining Hall.

Between Vernon Street and Allen Place is the North Campus Dormitory.

ALMA MATER

"NEATH THE ELMS"

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
 Oh it's seldom we'll meet,
 In the moonlight so sweet
'Neath the elms of our old Trinity.

College days are from care and sorrow free,
And oft will we seek in memory
 Those days that are past,
 Far too joyous to last,
'Neath the elms of our old Trinity.

Then we'll sing to our old Trinity,
To our dear old Alma Mater, Trinity;
 We're together today,
 And tomorrow away,
Far away from our old Trinity.

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
 No more shall we meet,
 Our classmates to greet,
'Neath the elms of our old Trinity.

Advisory Services

There are several administrative officers who are directly responsible for the welfare of Trinity's students. Some of these the Freshmen will come to know during their first few weeks on campus. Others they will come to know when they need advice or help in specific areas.

Director of Student Affairs

The Director of Student Affairs, Mr. F. Gardiner F. Bridge, whose office is in Williams Memorial, is principally concerned with the non-academic life of the students. His department serves to coordinate the Offices of the Dean of Students, College Counselor, Director of Placement, Medical Director, Director of Athletics, Director of Mather Hall and Director of Financial Aid.

Dean of Students

The Dean of Students, Dr. Roy Heath, is responsible for the conduct and growth of each student as a person; this includes the student's intellectual, emotional and moral development while at Trinity College. In case of emergency the Dean legally acts *in loco parentis* for those under 21 years of age.

In carrying out his general concern for student conduct in the dormitories, the fraternities and the campus in general, the Dean of Students works closely with the Medusa, the Junior Advisers and the officers of fraternities who have primary responsibility for requiring conduct befitting a Trinity student and fostering the development of a community where the rights, sensibilities and general welfare of each student become a concern of all.

The Dean of Students maintains his office hours, generally, each afternoon from 1:30 to 4 p.m. in Williams Memorial. Students may arrange conferences for discussion of both academic and personal matters at that time. When the student so desires, conferences will be treated in confidence and not be made matters of record.

Permission to change dormitory rooms, to be absent from classes (beyond the excused cut allotment) must be granted by him. Each student

must notify the Dean when events require his leaving the campus for any extended period.

Dean Heath is a Professor of Psychology and resides at 65 Vernon Street.

Assistant Dean of the College and Registrar

The Assistant Dean of the College and Registrar, Mr. Thomas A. Smith, maintains student records, and directs registrations, mid-year and final examinations. He is responsible for the administration of the various Faculty rules on academic discipline. He is available during College office hours to Freshmen and to upperclassmen in need of advice on academic matters. Dean Smith's office is Room 215, Williams Memorial.

Director of Placement

The Director of Placement, Mr. John F. Butler, has his office in Downes Memorial. The director holds periodic interviews with students to help them in planning careers, directs bursary employment, and acts as a liaison for part-time and summer positions off-campus. The Placement Office arranges campus visits from graduate school representatives and company recruiters.

College Counselor

The College Counselor, Dr. George C. Higgins, whose office is in Williams Memorial, has special training and experience in dealing with emotional problems and is available to all students who desire assistance in coping with difficulties in personal, emotional and social relationships. All conferences with Dr. Higgins are kept confidential and off the student's record. Under his supervision all students are given the opportunity to utilize psychological tests of interest, motivation, aptitude, ability and achievement.

Chaplain

The Rev. Alan C. Tull, College Chaplain, is available for conversation or counseling with any students at any time. Chaplain Tull may be reached in his office adjoining the Chapel garden, in his apartment on the third floor of the Mather Student Center, or around the Campus.

Medical Director

The office of the Medical Director is in Hamlin Hall. In case of illness or injury, full-time, regularly-enrolled students should report to his office between 8:30 and 10 a.m. or 1 and 2 p.m., Monday through Friday, and Saturday between 8:30 and 10:00 a.m. At other times, student aides are stationed on the third floor of the Infirmary in Hamlin Hall to handle emergencies.

In case of illness or injury, resident students are required to report at the college medical office early in the morning. In an emergency, prompt notification of parents is made; but, if parents cannot be reached, the college authorities reserve the right to act as seems best for the welfare of the student concerned.

All students enrolled during the regular academic year are covered by a compulsory insurance policy which provides accident, health, and catastrophe benefits. Claims for benefits under this program must be made on standard forms obtainable either at the Medical Director's office or at the Treasurer's office. Such claims should be filed immediately when possible and no later than twenty days after the onset of illness or injury. Read and keep the booklet *Accident and Sickness Reimbursement Plan for Students* for information about the stated benefits.

Director of Financial Aid

The Director of Financial Aid, Francis B. Gummere, Jr., is located in Williams Memorial. The director makes available scholarship and loan information and applications for financial aid, which are processed in this office. He acts as the counselor for financial aid candidates and those already participating in the financial aid program.

Freshman-Sophomore Advisory Council

The Freshman-Sophomore Advisory Council, a faculty committee of approximately fifty members presently under the chairmanship of Dr. M. Curtis Langhorne, provides students in their first two college years with the most dependable source of information about matters pertaining to courses and other academic problems. The Freshman normally remains with the same adviser for two years. This period of continuous advisory and counseling relationship provides for better acquaintance on the parts of both the adviser and the student, thus permitting more intelligent course and program planning. It is hoped and expected that the student will seek out his adviser at any time that mature advice is needed.

Junior Advisers

Each year some 40 juniors are selected to serve as Advisers to the Freshman Class. Assigned to rooms adjacent to those of the Freshmen, they attempt in a friendly manner, through personal contact, to help new students with their personal problems and with their adjustment to college life.

Each Junior Adviser is expected through his own gentlemanly conduct to set a good example for those around him and to act in a responsible manner in making sure others uphold the traditions and rules of the College.

The College Library, under the direction of Mr. Donald B. Engley, is open daily during term time Monday through Thursday from 8:30 a.m. to 11 p.m. On Friday it is open from 8:30 a.m. to 10 p.m., on Saturday from 8:30 a.m. to 5 p.m., and on Sunday from 2 to 10 p.m.

Fines are assessed for overdue books at the rate of five cents per day for books from the stacks and twenty-five cents per day for Reserve Books, except two hour and overnight Reserves which are one dollar per hour or a fraction thereof. Although notices are sent for overdue books, the responsibility for the return of a book rests with the borrower and the fine commences at the time the book is due at the Library.

The Library makes available a booklet of information concerning the use and rules of the Library.

Study Areas

Study areas generally available throughout the night are located in Seabury 34, Jones Hall Lounge and in the basement of Hamlin Hall. Students are expected to maintain these facilities in good order. Additional study areas are provided during the final examination periods. Hours and places are posted.

William Gwinn Mather Hall

Mather Hall is the focal point of student activity on the Campus. The building is open from 7 a.m. until 11 p.m. during the week. The weekend programs vary to meet the many interests of the student body.

A student board assists the Director, Mr. Leonard R. Tomat, in the establishment of policy and in the operation of Mather Hall. The Director is responsible for scheduling all student campus activities.

DINING FACILITIES

Meals will be served to students and their guests in the main Dining Hall from 7:30 to 9:00 a.m., from 11:30 to 1:00 p.m., and from 5:15 to 6:30 p.m. Saturday dinner is served from 5:00 to 6:00 p.m., hours will be posted for Sunday meals. Hours for the "Cave" are 7:30 a.m. to 11 p.m., weekdays; weekend hours will be posted.

Students are expected to demonstrate good taste in apparel worn whenever using the dining hall, snack bar, and lounges of the Student Center. The only special requirement is that coats and ties be worn at evening dinner.

POST OFFICE

The Post Office, under the supervision of the Director of Mather Hall, is located on the lower level. The office is open for all postal services between 8:00 a.m. and 4:00 p.m., Monday through Friday, and between 8:00 and 11:00 a.m., Saturday.

There are three incoming mails at approximately 8:30 a.m., 11:30 a.m., and 1:00 p.m. on Monday through Friday and 8:30 a.m. on Saturday. The outgoing mails are at 9:15 a.m., 12:00 noon, 3:00 p.m. on Monday through Friday and 9:15 a.m. on Saturday.

Each student is assigned an individual postal box for the four-year stay on the Trinity campus. It is essential that all mail, parcel post and express be addressed care of the postal box number, not the dormitory room.

THE TRINITY COLLEGE BOOKSTORE

The Bookstore, on the lower level of Mather Hall, is open from 9:00 a.m. to 4:00 p.m. on weekdays and 9:00 a.m. to noon on Saturdays.

The store is operated by the College to make available the required textbooks and classroom supplies for all courses. These are supplemented by a large selection of scholarly paperbacks as well as reference books, gifts, basic drug items and magazines.

Checks under \$50 may be cashed at the Bookstore.

LOUNGE AND RECREATIONAL AREAS

The Hallden Game Room, the Bowling Lanes and the several lounges are operated under the supervision of the Director of Mather Hall and the Board of Governors. The Hallden Game Room, located in the basement, has six ping-pong tables, three pool tables and a billiard table. The Game Room is open seven days a week: Monday through Thursday, 10:30 a.m. to 10 p.m.; Friday and Saturday, 10:30 a.m. to 11 p.m.; Sunday, 2 to 10 p.m. A small fee is charged for the use of the equipment in the Game Room. The Card Room is located adjacent to the Game Room. Cards and checkers, etc., may be borrowed from the student attendant at no charge. The new Bowling Lanes, opened in December 1964, are completely automatic with the newest Brunswick equipment. The Lanes are open seven days a week: Monday to Thursday from 12 noon to 10 p.m., Friday from 12 noon to 11 p.m., Saturday from 12 noon to 9 p.m., and Sunday from 2 p.m. to 9 p.m. The charge for bowling is 40c per string and there is a shoe rental service. There is an opportunity for competitive bowling through the intramural council.

A TV set is placed in the lounge near the snack bar each evening at 6:30 p.m. This set is also available for special viewing whenever necessary. The set is equipped with RKO subscription television which is unique in the Hartford area. There is also another TV set for student use located in the Old Cave in the basement of Hamlin Hall.

THE LAUNDRY

The College Laundry is operated as a campus concession by Mr. Michael Plaut, Jr. Located below Cook-A, it is open Monday through Friday from 12 noon to 5:00 p.m. for regular laundry service, shirts, and dry cleaning. There is also a coin-operated laundromat open 24 hours a day. A contract linen service is offered by the laundry, supplying students with fresh sheets and towels during regular business hours.

Bulletin Boards

Official notices are posted along the Long Walk on the bulletin board to the right of Middle Jarvis. General notices are posted on the bulletin boards to the left of the entrance of Middle Jarvis, at Cook dormitory archway, and in Mather Hall. News items and other notices of interest are posted on bulletin boards in Williams archway. Information on lectures, weekend activities of cultural and social nature, both on and off the campus, is displayed in the foyer of Mather Hall. Students should make a practice of consulting the bulletin boards frequently.

The Business Office (Payment of College Bills)

The Business Office, headed by Mr. Dean H. Kelsey as Associate Comptroller, is mainly concerned with the handling of college bills, student emergency loans and room assignments. All inquiries about bills and fees should be made to his office on the first floor of Williams Memorial.

Term bills are payable on or before Registration day of each term. Supplementary and miscellaneous bills are payable within 10 days. A Late Payment Charge of \$5.00 will be added to all bills which are not paid when due. Non-payment of bills is cause for suspension from the College.

No student may receive his degree, or an honorable dismissal, until this office certifies that all his college bills have been paid and, so far as the Business Office knows, there are no lawful claims against him.

Academic Regulations

Registration and Enrollment

All students are required to register on or before the first day of the term. A late fee must be paid by each student who does not register at the time appointed.

Freshmen and Sophomores in regular standing are normally expected to take five courses each semester, exclusive of Physical Education. Juniors and Seniors take four courses. No student in regular standing is allowed to enroll during any one term in less than four courses.

Payment of the tuition fee entitles a student to register. With the consent of his faculty adviser and the Registrar, a student may enroll in a program containing an extra course. Dean's List students may, without charge, take extra courses. They will, however, receive no credit toward the satisfaction of degree requirements for such work. Should they desire credit in extra courses, then the regular fees will be charged. Instructors may enroll students in their classes only after notice that registration has been completed. College credit will be allowed only for courses in which students are regularly enrolled.

Changes in electives ordinarily can be made only during the first four days of a term. All changes must be made through the office of the Registrar. Procedure for making changes is as follows:

A. To drop a course: fill out a Change of Course Card, obtain the adviser's initials, and present the completed card to the Registrar.

B. To add a course: fill out a Change of Course Card, obtain the adviser's and instructor's initials, and present the completed card to the Registrar.

Regular students may, with the permission of the instructors, audit courses for which they are not enrolled. No examinations or credit will be given to such auditors, and courses audited are not listed on student records.

Juniors and Seniors may take graduate courses only with the permission of the student's major adviser, the instructor, and the Office of Graduate Studies.

Matriculation

New students who qualify for membership in the College are formally accepted at the historic Matriculation Service in September.

At this service, each new member of the College takes the following Matriculation Oath: **"I promise to observe the Statutes of Trinity College, to obey all its Rules and Regulations; to discharge faithfully all scholastic duties imposed upon me, and to maintain and defend all the rights, privileges, and immunities of the College, according to my station and degree in the same."**

Attendance

I. UNEXCUSED ABSENCES

All students are expected to attend regularly and promptly all their college appointments and exercises. While the College recognizes that some absences may, on occasion, be necessary, these should be held to a minimum.

In order to provide for exceptional personal circumstances and emergencies, and to place the responsibility of his learning squarely on the student, the following regulations apply:

Freshmen are permitted up to three unexcused absences from classes in each course during the Christmas Term. Those who have completed five courses during the first semester will be classified for the privilege of unexcused absence from class the second semester as follows:

Average grade of B or higher: Dean's List; unlimited number of cuts

Average grade of C+ or B-: five cuts per course

Average grade of C- or C: four cuts per course

Average grade below C-, except men on probation: three cuts per course

Academic probation: no unexcused class cuts.

Freshmen who complete less than five courses are automatically put in one or the other of the last two categories above.

Members of the Sophomore Class who receive grades of less than C- in three courses at the end of any term will be restricted to three cuts per course in the subsequent term.

Upperclassmen, except Sophomores as noted above, are held to no limited number of absences, but are responsible for all the work required in course including reading, papers, reports, tests and examinations.

An undergraduate who is limited to a specific number of unexcused absences (all first term Freshmen; second term Freshmen not on the Dean's List; Sophomores on academic probation; Sophomores with grades less than C- in three courses at the end of the preceding term) will be placed on overcut probation if he exceeds the number of unexcused absences

allowed him. An undergraduate eligible for a second overcut probation will automatically go on academic probation.

A Freshman or Sophomore on academic probation in one term who overcuts in the next may, at the discretion of the Committee on Academic Standing and Discipline, be placed on academic probation a second time, thus becoming eligible for an automatic required withdrawal.

No unexcused absences may be taken on the day of an announced test or examination. Unexcused absences on the two days immediately preceding and the two days immediately following recesses and holidays are counted double. Tardiness or early egress may be reported by instructors as one-quarter, one-half, or a full absence.

All students are required to attend all meetings of seminars, laboratories, tests and examinations.

Transfer students in their first semester are permitted three unexcused class cuts per course. After their first semester they are subject to rules governing the upperclassmen.

On the recommendation of the instructor, any student may be required to drop, with a failing grade, a course from which he has absented himself excessively, and faculty members may consider excessive absences in computing grades.

The absence privileges detailed above do not apply to attendance requirements for Physical Education.

II. EXCUSED ABSENCES

In general, no excuse from academic appointments will be granted except for illness or for other extraordinary reasons.

Applications for excuses, other than medical excuses, should be made to the Dean of Students in *advance of the absence*, since no absence may be excused unless notice is given at the beginning and end of the absence.

Students participating in scheduled college-sponsored extracurricular events such as athletic games and Glee Club concerts are normally automatically excused from their classes which conflict with the event. It is the responsibility, however, of each student participating in a sport or activity to inform each of his instructors at the beginning of the semester of the dates of scheduled events that will conflict with his class in that course. Instructors need information regarding anticipated class absences for use in scheduling or rescheduling hour tests and other class assignments.

Excuses for illness may be granted by the Medical Director. Resident students should report to the Medical Office between 8:30 and 10 a.m. or 1 and 2 p.m. for consultation with the Medical Director.

Non-resident students must notify the Medical Office of absence caused by illness at the beginning of the absence. This should be done by telephone (527-1065) before 9 a.m. On the day of return and before attending class,

a written notice of return must be left at the Medical Office on the form provided for this purpose. Unless this notice is filed, no excuse will be granted. Within one week, a statement from physician or parent concerning the nature and duration of the illness must be presented, also on a form provided for this purpose. No excuse for illness may be granted for a period of less than one day.

Instructors may require any work omitted because of excused or unexcused absences to be made up. Absences incurred by non-payment of college bills are counted as unexcused absences unless excused by the Dean of Students.

III. ATTENDANCE AT PHYSICAL EDUCATION

A student must satisfy all the requirements in Physical Education before he can be recommended for his degree.

All students carrying a full academic schedule must fulfill the following requirements:

Eight quarters' credit (two years) taken consecutively. In any quarter, three (two when sections meet twice a week) unexcused absences are allowed. In no case where the total number of medical excuses and cuts exceed two weeks of class time will credit be given.

Students overcutting a quarter of Physical Education shall be placed on "Warning." Eligibility for a second successive warning involves automatic suspension from the College. Students who are liable for a third warning whether in successive quarters or not shall be suspended from the College. Suspension in all cases shall be for a period of one semester.

Academic Standing

GRADES

At the close of each term the student and his parents, or guardian, will receive grade reports.

Passing grades are: A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-. Grades below C- are unsatisfactory. F denotes failure.

In a full-year, indivisible course a temporary grade shall be recorded for each term, but only a final grade for the year shall count as the grade received for the course and be permanently recorded on a student's record. Temporary grades will be used only to compute standings for financial aid awards, Dean's List and probation.

Two special terms indicate that a grade is temporary: "incomplete" indicates an excusable deficiency; "absent" means that a student was not present at a final examination. Responsibility for making arrangements to complete course work rests with the student. If such work is not completed by the end of the next term, the instructor will issue a final grade.

FRESHMAN, SOPHOMORE, JUNIOR AND SENIOR STATUS

A student who has credit for less than four full-year courses, or their equivalent, is classified as a Freshman; one who has credit for at least four but less than nine full-year courses is classified as a Sophomore; one who has credit for at least nine but less than thirteen is classified as a Junior; and one who has received credit for at least thirteen is classified as a Senior. Eighteen full-year courses, or their equivalent in half-year courses, are required for graduation.

Academic Discipline

ACADEMIC PROBATION

An undergraduate will be placed on academic probation if:

- (1) At the end of a term he has not passed four courses and received grades of at least "C—" in two;
- (2) He has completed three consecutive terms with term averages below "C—";
- (3) At any time, in the opinion of the faculty, he has neglected his work.

While he is on probation a student may, with permission of the Dean of Students, take part in not more than one extracurricular activity at any one time. Students on probation may engage in intramural sports.

Freshmen and Sophomores on probation may not carry more than five courses a term; Juniors and Seniors may not carry more than four.

REQUIRED WITHDRAWAL

An undergraduate will be required to withdraw from the College for at least one calendar year if:

- (1) He fails, after two attempts, to pass one of the basic requirements;
- (2) He incurs two academic probations during his first two years in College or two academic probations thereafter;
- (3) At any time, in the opinion of the faculty, neglect of work warrants suspension.

A man required to withdraw for any of these reasons is eligible to apply for readmission. However, each application will be considered on its merits, and readmission will not be automatic. A student readmitted after twice failing a basic requirement may resume his studies at the College only after passing that requirement during a summer term at Trinity.

The College may at any time require a student to withdraw without assigning a reason therefor.

ADMISSION TO THE THIRD YEAR

Before entering his third year at Trinity College a student must:

- (1) Complete a minimum of five full-year courses, or their equivalent, with grades of "C—" or better;
- (2) Complete all basic requirements (exceptions: students who plan to major in chemistry or engineering).

Financial Aid

Financial aid is granted on the basis of need, the quality of academic work, character, influence on fellow students, and for upperclassmen, participation in extracurricular activities.

Students who are in college must have a passing mark in all courses for the term immediately preceding their application, with the following average: Freshmen, C—; Upperclassmen, C.

(Applications for financial aid and the pamphlet, *Information on Financial Aid*, which explains in detail the financial aid program, may be obtained at the Office of Financial Aid.)

Transcripts

Requests for transcripts should be made to the Transcript Secretary in the Office of the Registrar. Official transcripts will not be given to students, although they may secure unofficial copies of their records for their own personal needs. Official transcripts will be sent only to other educational institutions or to employers on the request of the student.

Students are entitled to one free transcript. The charge thereafter is \$1.00, payable to The Trustees of Trinity College. Payment must accompany the student's request. At least one week should be allowed for the preparation of a transcript, although at mid-years and at the end of the year two weeks should be allowed.

Selective Service

Any undergraduate registered for the draft should fill out the U.S. Selective Service System Form 109 so that the Registrar's Office can inform his draft board of his enrollment at the College. These forms are available at Registration in September and at the office of the Registrar for men who, at the beginning of the year, are registered for the draft, and for men who complete Selective Service Registration after they begin the academic year.

Men who do not fill out the SSS Form 109 so that their attendance at Trinity can be certified are considered to be available for military service.

Student Regulations

Each individual must respect the rights of other individuals and moderate his own conduct with a view toward the welfare of the college community.

Since Trinity College is attempting to promote the intellectual and moral growth of its students so that they will become self-reliant, responsible and enlightened citizens and leaders of democracy, there is double significance in the rules of the College. First, the rights of all the individuals in the community must be protected from violation by any individual or minority. Second, there is an educational value in developing in students the same responsibility and self-restraint which they must demonstrate throughout life if they are to become good citizens.

Trinity attempts to develop in each student a sense of personal responsibility for good order not only in the classroom, but also in his general attitude and standard of conduct on the campus. Students are expected to behave as gentlemen and reliable citizens of the community. Every effort is made to stimulate students to honest, conscientious effort; but the College is not willing to undertake the problem of disciplining a student who is not in sympathy with its purpose. If a student refuses to cooperate with college authorities, either student, faculty, or administrative, the College specifically reserves the right to dismiss him without making definite charges whenever, in its judgment, the general welfare seems to demand such action.

The College assumes that a Trinity student will at all times conduct himself in a way that will be a credit to himself, his family, and to Trinity, and expects that he will at all times obey the laws of the State of Connecticut and of the City of Hartford.

The following rules and regulations cover specific situations and all students are asked to familiarize themselves with them.

Personal Conduct

A Trinity student is expected to conduct himself as a gentleman at all times. In particular, such offenses as intoxication, gambling, the use of fireworks, the possession of firearms, the violation of fire regulations and having women illegally in dormitories will not be condoned. Theft, fraud,

plagiarism*, vandalism, disorderly conduct and immoral behavior, will all be considered as grave offenses against the community.

The mutilation or theft of library materials or books will result in expulsion.

The penalty for a first instance of cheating in academic work shall be the required dropping of the course in which the cheating occurred or suspension from college for a period of time to be determined by the Committee on Academic Standing and Discipline or both. A second offense incurs a mandatory sentence of required withdrawal without the privilege of return.

Intoxication and disorderly conduct resulting from the use of alcoholic beverages are particularly serious offenses and may in some cases result in suspension from college. College publications may not carry liquor advertising. Beer and wine advertising may be carried by the *Tripod*, *Ivy*, and *Review*, but not by the College *Handbook* or College Radio Station.

Connecticut law prohibits the purchase of alcoholic beverages by a minor, and the serving of alcoholic beverages to a minor except by his parent or guardian. Students are expected to abide strictly by this law.

Students 21 years of age may consume alcoholic beverages only in their fraternity houses and dormitories. The possession of alcoholic beverages by students under 21 years of age, even in the event that such beverages have been purchased legally in another state than Connecticut, is strictly forbidden.

Student Government

The Statutes of the College assign responsibility for conduct of students to the Faculty which administers this responsibility through the Committee on Academic Standing and Discipline, the Dean of the College, the Director of Student Affairs and the Dean of Students. Every effort is made to encourage the students to govern themselves and to assume greater responsibility in the conduct of their affairs. To this end, certain responsibilities for dealing with offenses against regulations or against law and order have been delegated to student government as follows:

SENATE: The Senate, the elected representatives of the Student Body, acting on behalf of all the students of Trinity College, controls all funds as allocated to it by the Administration, supervises student extracurricular activities, and maintains a high level of conduct among the students of the College. It has the authority to deal with violations, subject to the policies and regulations established by the Faculty and its Committee on Academic Standing and Discipline. Any student may appeal a decision of Medusa to the Senate if he feels an injustice is being done. Such an appeal must be made in writing to the President of the Senate within two weeks of notification

*See section, "Intellectual Honesty," in the *Manual for English 101: Freshman English*.

of sentence. Any student liable to dismissal or expulsion may be given a hearing before the Committee on Academic Standing and Discipline.

The procedure for the appeal of a Medusa decision shall be as follows:

The Senate President will notify the student of a date on which he shall be required to present a written brief asking the Senate for an appellate hearing of his case. This brief is to contain:

1. A well-defined statement of the student's reasons for appeal.
2. Any new evidence or pertinent facts that support this statement.
3. All new materials not presented in the Medusa trial. This must be clearly defined and itemized.

After reading this brief and a similar one submitted by the Medusa, the Senate, as a body, shall judge the validity of the request for appellate hearing. If this request is granted there shall then be a special trial in which the Senate shall act as the jury, the Medusa as the prosecutor and the student can once more plead his case.

For further information see Article VI, Section 2, of the Constitution of the Trinity College Senate.

Questions concerning the Student Senate should be directed to the President of the Senate.

MEDUSA: The Senior Honorary Society is responsible for the maintenance of college traditions, and in cooperation with the Dean of Students is responsible for the enforcement of college regulations. Medusa is the judiciary arm of the student government and is granted its power annually by the Senate.

JUNIOR ADVISERS: Several members of the Junior Class are selected from applicants to serve as advisers to dormitory residents. Selection by the Dean of Students is based on academic achievement and on demonstrated qualities of leadership and judgment. Like members of Medusa and the Senate, the Junior Adviser is an officer of the College. When the peace is breached in his area he is expected to remind those disturbing the peace of their obligation to the campus community and that further disorder will not be tolerated by him or others.

FRATERNITY OFFICERS: Elected by the members of each fraternity, the officers are responsible, not only for duties assigned by their individual fraternity, but also for the discharge of the obligations of their fraternity to the college community. The president and other officers are responsible for the maintenance within their fraternity of conduct that is consistently in accord with the traditions and regulations of the College.

THE INTERFRATERNITY COUNCIL: The purpose of the Interfraternity Council is (1) to promote amicable relationships among fraternities at Trinity, and (2) to promote the standards expressed in the Fraternity Criteria promulgated by the National Interfraternity Conference.

The Council is composed of one representative from each of the fraternities. It is the official representative and spokesman of the Trinity College fraternity system. Each member of the Freshman Class and all upperclassmen who are in any way affiliated with the fraternities must know and obey the Rules for Rushing.

Cases involving violations of regulations by the fraternities will be heard and decided by the Interfraternity Council. The procedure for trial shall be as described in the Constitution of the Interfraternity Council, Bylaws, Articles II and III.

Questions regarding fraternities should be directed to the President of the Interfraternity Council, the Director of Student Affairs, or the Dean of Students.

Dormitories

Unmarried students not residing with their parents or guardian must live in buildings owned or controlled by the College and must board only in such places as are approved by the President. Petitions for exceptions to this rule may be submitted to the Dean of Students and may be approved for periods not exceeding one year.

Rooms in the college buildings are assigned to students under the supervision of the Assistant Comptroller. Students must obtain his permission before moving out of an assigned room. Students moving during the year from dormitories to fraternity houses or to other locations will not receive any refund of their dormitory rent unless prior arrangements have been made with the Treasurer.

Freshmen rooms are assigned by the Dean of Students. Other rooms are assigned on a priority system with Seniors getting first choice, Juniors second, and Sophomores third choice.

Each student is personally accountable for all improper conduct occurring in his room and is responsible both for damage done to his room and furniture and for damage which he may do, or participate in doing, to other property. College furniture assigned to a given room is not to be removed. Each student is held accountable for the original furniture assigned to his room. Costs of damages to, or loss of, college property are charged to students in addition to appropriate penalties for misconduct. Painting or otherwise altering rooms may not be undertaken.

Weekly vacuum cleaning and daily trash removal will be provided in student rooms. Waste baskets are not provided by the College. Bedmaking and incidental cleaning is the responsibility of the occupant.

An officer of the College or a member of the Senate or Medusa may visit a room at any time for any examination which he thinks proper. Students must admit these authorized persons whenever requested to do so.

Women are permitted in the dormitories only when College is officially in session and only during the following hours: between noon and 11:30

p.m. on Friday, Saturday, and Sunday. At no other time are women allowed in the dormitories unless special permission to do so is granted by the Dean of Students. Exceptions to this rule are relatives of the students, and their parties, who are allowed in the dormitories at any time.

Solicitors, canvassers, salesmen, peddlers and unauthorized persons are not permitted to enter the college buildings. Students should not negotiate with such persons or admit them to their rooms, but should report their presence to the watchman or an officer of the College. (See below.)

Pets of any description (dogs, cats, fish, etc.) are not allowed in college buildings.

No refrigerators, hot plates, fans, heaters, etc., are allowed in student rooms. No outside antennas of any sort may be installed. The playing of musical instruments, phonographs, television sets and radios should be done with generous regard for the privacy of others.

Private telephones are allowed in a limited number of dormitory rooms. Students must first have specific permission from the Office of Buildings and Grounds before arranging installation with the local telephone company.

No firearms, weapons, ammunition or explosives may be brought or kept on college property.

City fire regulations prohibit the use of fireplaces in dormitory rooms. Tampering with lights or fire extinguishers is prohibited. A Connecticut State law prohibits smoking in bed.

Students are not allowed on roofs.

Bicycles may not be brought into or left in dormitory or classroom buildings, including basements. Storage for them is provided outside.

Students are cautioned to keep their rooms locked in their absence. The College disclaims responsibility for loss of, or damage to, student property at any time.

Students who are locked out of their rooms or who lose their keys may obtain new ones by presenting a slip from the Treasurer's Office at the Office of Buildings and Grounds. At times when the offices are closed the night watchman may open rooms while on his rounds. Keys not returned at the end of the year are charged to the general fee at \$1.00 each.

Permission must be obtained from the Dean of Students to reside at the College during vacation periods. Dormitory rooms are not ready for occupancy until the opening of Freshman Week in the fall and must be vacated at the end of the examination period in June except for Seniors who may remain until the day after Commencement.

During the vacation periods (Christmas and Spring) of the academic year, rooms are to be left in proper order ("broom clean" and "picked-up").

Before leaving the Campus at the end of the Trinity Term, students

must remove all their personal belongings, including their furniture, from all college rooms; the deadline for (a) underclassmen is the day following the last day of final examinations; for (b) Seniors, the Monday following Commencement.

Storage space is provided for the student's convenience. Each item put into storage must be adequately identified. Tags for this purpose will be furnished by the janitors, but it is each student's responsibility to make sure that the tag is well secured to each item, that his name and class are written on each tag, and that the items are, in fact, put into the proper storage space.

The occupants whose rooms are not left empty and "broom clean" will be subject to a fine of \$25.00. Anything other than college furniture remaining in the rooms will be disposed of by the College.

Rules Concerning Fraternities

The Fraternities are expected to enforce all College Regulations and State and City Laws (and in particular those concerning the acquisition, possession and consumption of alcoholic beverages) at all of their functions on their premises. The following specific points should be noted.

Intoxication and disorderly conduct resulting from the use of alcoholic beverages are particularly serious offenses and may result in dismissal from College.

The selling of liquor, beer, or wine without a license is forbidden by State law. The selling of chits for the procurement of liquor, beer or wine is considered the same as selling the product and is illegal.

Women are permitted in the fraternity houses only during the following hours: Monday through Thursday, noon to 8 p.m.; Friday through Sunday, 11 a.m. to 11:30 p.m., except when party petitions have been granted, when the hours will be 10 a.m. to 1 a.m. on Saturday and 10 a.m. to 11:30 p.m. on Sunday. In no case are women permitted in the fraternity houses during vacations or holidays.

Relatives and their parties are allowed in the fraternity houses at any time. Other exceptions to the rule may be made by the Dean of Students.

Members of fraternities shall be individually and collectively responsible for all conduct in the fraternities.

The heads of houses must present to the Dean of Students' Office before a vacation period begins the names of men authorized to live in the house during the period. Men so authorized are responsible for the observation of the regulations in this bulletin. All fraternity houses shall be closed during the summer vacation.

Social Affairs

Dances, house parties, and other social affairs held by students on college property, in the fraternity houses or elsewhere are under the general supervision of the Dean of Students and the Director of Student Affairs. It is the responsibility of the president of a student organization to see that guests conform to the following rules:

All planned dances or parties are to be given only with the sanction of the Dean of Students. At least five days previous to any house party, tea dance, informal dance or other social function, the head of the organization must submit to the Dean of Students, for his approval, a statement concerning plans for conducting the affair, its nature and duration, its location and the names of the chaperones who have consented to serve. This is to be done on the official blank provided for that purpose.

All dances must be terminated not later than 1:00 a.m.

There must be sufficient lighting in each room.

No women are permitted upstairs in fraternity houses except to the ladies' room, or except when the upper floors are reserved exclusively as a women's dormitory on party weekends.

All rooms in fraternity houses which are to be used during a party must be shown to the chaperones and approved by them. There shall be free access to these rooms at all times.

No liquor may be served after 12:30 a.m.

All women must be out of the house no later than 15 minutes after official closing time.

On house party weekends all women sleeping in fraternity houses must be in the house within a reasonable time after the dance and all men must be out of the house not later than 1:15 a.m.

Chaperones will be notified of the beginning and ending time of a party and it will be in the duty of the officers of the organization to see that there are chaperones present at all times and until all guests have left the party. Married students or recent graduates are not acceptable as chaperones. Every effort should be made to secure faculty members as chaperones. One couple will be adequate for chaperoning the average informal party. At least one woman chaperone should remain overnight when the house is used as a women's dormitory.

The officers in charge must make themselves known to the chaperone at the beginning of the evening and be prepared to do the chaperone's bidding at all times. It shall be the officers' responsibility to see that the rules of conduct are followed. Chaperones have full right to end a party at any time they see fit if the situation warrants it.

At the close of each party it is the responsibility of the organization officers to persuade the departers to leave quietly and expeditiously. Men

returning to dormitory rooms should show consideration of others by being as quiet as possible. The organization president is responsible for departure conduct outside the building as well as for the conduct of the party.

Rules Regarding Student Businesses

The campus is not open to anyone soliciting, selling or buying, except to Trinity College undergraduates, who may act as agents of outside concerns.

There are two groups of concessions: closed and open. (1) Closed—those which have such a limited market that one man is granted the right of monopoly. (2) Open—all other concessions which are general in nature. The question of open or closed concessions is left to the discretion of the Associate Comptroller and the Director of Student Affairs.

These concessions are open solely to the Trinity College undergraduates.

Written permits must be obtained from the Treasurer's Office in order to conduct business. These permits must have the approval of the Associate Comptroller, the Dean of Students, and the Director of Placement. Permits must be renewed annually. Failure to obtain a permit before conducting business or failure to adhere to the rules herein will result in administrative action. Concessions may not be sold.

Fraternities shall handle the problem of solicitation in any manner they see fit.

Penalties for Misconduct

Penalties authorized by the College are fines, penums, admonition, censure, suspension, dismissal, expulsion and social probation.

Fines are imposed, for example, for late payment of college bills, late enrollment, damage to college property and the like.

Penums are assignments of extra work, imposed in an effort to give punishment a constructive function.

Admonition is formal written warning to the student that he has incurred serious blame and that continuance of such conduct, or of similarly serious misbehavior, will result in suspension or dismissal. Notice of admonition is sent to the student's parent or guardian.

Censure is the result of more serious misconduct than that for which admonition is given. Censure includes loss of unexcused cut allotment, loss of the privilege to participate in any extracurricular activity of the College. Any student on censure may appeal to the authority imposing censure, in writing, for the privilege of participation in limited extracurricular activity. Censure generally lasts for a term. Notice of censure is posted on the college bulletin board, is also sent to the student's parent or guardian, and is made a part of the student's college record. A second censure may incur suspension from college. Students on censure are not eligible for honorable dismissal until restored to good standing.

Suspension is temporary separation from the College and may involve the performance of specified tasks. Suspension is the result of very serious misconduct or the accumulation of two censures.

Dismissal is the permanent separation of a student from the College.

Expulsion is dishonorable dismissal.

Social Probation is that restriction of group and individual privileges imposed, for a stated length of time, on student groups living in dormitories or fraternities.

Motor Vehicles and Parking

No motor vehicle should be driven or parked in any places on the campus except those designated for such use.

Resident Freshmen in their first term are prohibited from maintaining or operating motor vehicles in Hartford or vicinity while college is in session. Resident Freshmen who are not on probation the second semester may maintain a motor vehicle at college providing written permission from the parents is on file in the office of the Dean of Students and the vehicle is properly registered with the Department of Buildings and Grounds.

No Trinity student may maintain or operate a motor scooter or motorcycle on the Trinity College campus or on the portions of Allen Place, Summit Street or Vernon Street bordering on the campus while the College is in session.

The College will allow the use of motor scooters and motorcycles in compliance with the above conditions providing each student planning to use such a vehicle follows the registration procedures below.

I. Registration

1. All student motor vehicles including those of non-resident and graduate students must be registered with the Buildings and Grounds Office and must display the registration marker within one week's time following registration date in the fall, and thereafter prior to operating a motor vehicle on college property (see above for motor scooters and motorcycles). In the case of a minor, permission to operate a motor vehicle must be granted by his parent or guardian and be on file in the Dean of Students Office prior to registration.
2. The motor vehicle registration fee is 50 cents. The student car registration marker must be displayed on the right side of the rear bumper. The motor scooter and motorcycle registration marker must be displayed on the rear fender.

II. Parking Regulations

1. Students may park their cars only in the following locations:
Hallden Hall Parking Lot (for non-resident and graduate students

only, but no overnight parking).

North Campus Parking Lots

Broad and Vernon Streets Parking Lots

Fraternity Parking Lots

2. No student parking whatever is permitted in any other campus parking lot, road or driveway.
3. No cars are permitted for loading purposes or otherwise on any part of the campus except driveways and parking areas.
4. Student cars found improperly parked or those abandoned or parked with no state registration will be towed away at the owner's risk and expense.

III. Penalties

1. Failure to register and display the registration marker—\$25.00 fine.
2. Driving on campus other than drives or parking areas—\$5.00 fine.
3. For parking in restricted areas:
 - a. 1st Parking Violation—\$2.00
 - b. 2nd Parking Violation—\$4.00
 - c. 3rd Parking Violation—\$8.00
 - d. 4th Parking Violation—\$16.00 and violations are reported to the Dean of Students for administrative action.
 - e. 5th Parking Violation—\$32.00 and forfeit of motor vehicle privileges
 - f. 6th Parking Violation—\$64.00 and suspension from college.
4. Violations and penalties accumulate from year to year.

Revenue from such fines is credited to a scholarship fund.

Reckless and/or unlawful operation or irresponsible use of motor vehicles may result in suspension of motor vehicle privileges.

Honors for Academic Excellence

Dean's List

The Dean's List is composed of students who have attained an average of B or better in a regular scholastic program for the Christmas or Trinity Term. Freshmen and Sophomores must achieve an average of B or better in five or more courses; Juniors and Seniors must attain the same grade level in four or more courses.

Honors at Graduation

The excellence of a student in the general work of his college course, or in the work of individual departments, is recognized at graduation by the award of honor rank in general scholarship or in subjects in which the student has shown proficiency.

The two members of the Senior Class having the highest standing are designated, respectively, Valedictorian and Salutatorian.

Honors awarded at graduation, whether in general scholarship or in special subjects, are noted on the commencement program of the year in which they are awarded, and in the next issue of the *Trinity College Bulletin*, Catalogue Issue.

Students attaining the grade of A— or better in all courses required for the degree are graduated with the title of OPTIMUS.

The distinction of honor rank in general scholarship is awarded at graduation to students who have attained a grade of B— in each of eighteen full-year courses, or their equivalent in half-year courses, and a grade of A— in fourteen of these full-year courses or their equivalent in half-year courses. Of students who have been in residence less than four years, a proportionate attainment will be required.

The fields in which Honors may be awarded are: Biology, Chemistry, the Classics, Economics, Engineering, English, Fine Arts, French, German, Government, Greek, History, Latin, Mathematics, Modern Languages, Music, Philosophy, Psychology, Physics, Religion, and Romance Languages. The departments concerned recommend to the Faculty for Honors students who have achieved excellence in four courses designated by the departments. Special examinations and a satisfactory thesis may also be prescribed. Students are advised to consult the departmental heads concerning specific requirements.

Honor Fraternities and Societies

PHI BETA KAPPA, founded in 1776, is an honor society dedicated to humane scholarship. Members are elected from among those students who have achieved highest general scholastic standing. In addition, the charter of the Chapter stipulates that persons elected to membership "shall be men of honor, probity, and learning." Election to Phi Beta Kappa is widely regarded as a mark of highest distinction. The Trinity Chapter, known as the Beta of Connecticut, was chartered by the Yale Chapter, the Alpha of Connecticut, on June 16, 1845, and is the eighth oldest chapter of Phi Beta Kappa in the United States.

PI GAMMA MU, a national social science honor society, was founded in 1924. The Trinity College Chapter, known as Connecticut Alpha, received its charter in 1936. The society has as its purpose the recognition of outstanding scholarship in the social sciences. Members are elected by unanimous vote from among graduate students and undergraduates of the Senior and Junior classes who have achieved superior rank in scholarship in the social sciences. The society is also empowered to elect to membership persons who have distinguished themselves in public service.

SIGMA PI SIGMA is the only national physics honor society. Its chapters are restricted to some 80 colleges and universities of recognized standing which offer a strong major in physics. Membership is restricted to physics students and to a few others in closely related fields. Selection is made on a scholastic basis. Those not meeting the scholastic requirements but interested in the aims of the society may become associates. The objects of the society are: (1) to serve as a means of awarding distinction to students having high scholarship and promise in physics; (2) to promote student interest in physics, and to encourage a professional spirit and friendship among those studying that subject; (3) to interest and inform the college community regarding developments in physics. Trinity became affiliated with the Society in 1949.

DELTA PHI ALPHA, the National German Honorary Fraternity, was founded in 1929. The Trinity Chapter, known as Delta Upsilon, was chartered on March 7, 1958. Delta Phi Alpha seeks to recognize excellence in the study of German and to provide an incentive for higher scholarship. In so doing it aims to promote the study of the German language, literature, and civilization, and endeavors to emphasize those aspects of German life and culture which are of universal value and which contribute to man's eternal search for peace and truth. To qualify for membership, students must distinguish themselves scholastically both in German and in other courses and must give evidence of continuing interest in the German language and German culture.

PSI CHI, the national honor society in psychology, was founded in 1929 at the meeting of the International Congress of Psychology. The Trinity

Chapter, known as Connecticut Alpha, was chartered and installed in 1959. The purpose of the organization is to advance the science of psychology and to encourage, stimulate, and maintain scholarship of the individual members in all fields, particularly in psychology. Membership in this honorary society is restricted to advanced undergraduate students who have shown outstanding scholarship in psychology as well as other departments of the College. The organization sponsors a psychological periodical in the Trinity College Library and maintains a small collection of psychology books for use by all students.

Fellowships

For further information as to conditions of Fellowships and Scholarships, or for further particulars in regard to them, applications should be made to the Dean of the College.

THE H. E. RUSSELL FELLOWSHIPS, endowed originally by a legacy from Henry E. Russell of New York, pay to the holders about \$700 each annually. They are awarded annually by vote of the Faculty to members of the graduating class who give evidence of superior ability and who engage to pursue an approved course of non-professional graduate study at Trinity College or at some American or foreign university approved by the Faculty. The incumbents hold the Fellowships for two years each.

THE MARY A. TERRY FELLOWSHIP, endowed by a legacy from Miss Mary A. Terry of Hartford, yields an annual income of about \$1,800. It is awarded annually by the President upon the recommendation of the Faculty to a member of the graduating class who gives evidence of superior ability and who engages to pursue an approved course of graduate study in the arts and sciences at Trinity College or at some other college or university approved by the Faculty. The incumbent holds the Fellowship for one year.

THE W. H. RUSSELL FELLOWSHIP, endowed by a gift from William H. Russell of Los Angeles, California, pays to the holder about \$600 annually. It is awarded biennially by the Trustees upon recommendation of the Faculty to a member of the graduating class who gives evidence of superior ability and of a desire to continue study after being graduated at Trinity College. The incumbent holds the Fellowship for two years.

Academic Prizes

On Honors Day each year, excellence in scholarship is paid the highest honor possible at Trinity. Prizes, donated by alumni and friends of the College and encompassing every field of intellectual achievement, are awarded by the Faculty to the outstanding students. The Academic Prizes are listed completely in the College Catalogue and are also listed in a booklet published in the fall by the Student Senate.

To the Freshman Class

It is a privilege to welcome you to Trinity College. I hope sincerely that your years "Neath the Elms" will mean much to you. It is our dedicated purpose to see that they do. Our curriculum and the life at the College have been carefully planned to provide you with the finest training and education.

Trinity, as a Christian college, is concerned, not with mass production, but with the unique potentialities of each individual. No new truth was ever discovered by the automatic repetition of old patterns. A Christian college has an obligation to encourage variety and to nourish individual talent, for it sees every student as a unique creation of God.

You alone, however, can determine how meaningful will be your years at Trinity. You will learn that real values in life are gained only following hard and serious work. I urge that you devote your best efforts to your class work; that you take an active part in the extracurricular activities which are described in this booklet. In this way you will become an integral part of Trinity College.

We proudly welcome your class. We have high expectations for you. Live up to them. To each and every one of you I extend my best wishes for good luck and success.

President

THE MEDUSA

The Medusa is the senior honorary society at Trinity which has the function of upholding the traditions of the College as well as the discipline. To be tapped for the Medusa is the greatest honor a Trinity undergraduate can attain.

The tapping ceremony takes place in the spring. All members of the Junior Class gather around the statue of Bishop Brownell, and the outgoing members tap those Juniors who have especially distinguished themselves during their first three years of college.

The Medusa has been operative on the Trinity campus since 1892, in various capacities. The Senate eventually granted the Medusa its enforcement power and its judicial power. Since then the Medusa has been the disciplinary arm of the student government.

It is the prerogative of any student to appeal a decision of the Medusa to the Senate. Penalties involving suspension, dismissal or expulsion must receive the approval of the Dean of Students or the Faculty Committee on Academic Standing and Discipline before becoming final.

The Chapel

Trinity is firmly committed to the position that religion plays an important role in the life of the College as well as in the development of the whole man.

Trinity was founded in 1823 by Episcopal clergy and laymen. Our charter, granted May 16, 1823, provided that the ordinances of the College "shall not make the religious tenets of any person a condition of admission to any privilege in said college," whether as a student or teacher. Since our foundation strong ties of tradition but not of law have existed between the College and the Episcopal Church.

During our 142 years Trinity has endeavored to be true to the convictions by which the College was founded as well as to our time-honored motto, *Pro ecclesia et patria*. Established in freedom, Trinity recognizes that a diversity of religious affiliation exists in its student body. We are concerned for our students to continue and to deepen the religious faith of their choice so that it may be a living part of their liberal education and of their lives.

The beautiful Gothic Chapel of the College seeks to minister to all the men of the College. The Chaplain of the College likewise serves, in cooperation with Jewish, Roman Catholic and Protestant clergy, the members of the College.

Weekday services are conducted by members of the College. Sunday services consist of the Eucharist at 10:30 a.m. and College Vespers at 5 p.m., with preaching by prominent Christian thinkers and leaders. The Chapel also sponsors musical and dramatic events for the College and cooperates with the various groups and departments.

Student Government Constitutions

CONSTITUTION OF THE TRINITY COLLEGE SENATE

Revised: 1958, 1959, 1961, 1963, 1964 and 1965

ARTICLE I - NAME

The student governing body shall be called the Senate.

ARTICLE II - MEMBERSHIP

Section 1. The membership of the Senate shall consist of sixteen rising Seniors, twelve rising Juniors, and eight rising Sophomores, whose terms of office shall extend from their election through the February of the following year. The highest ranking Freshman class officer shall serve as an ex-officio member of the Senate until the duly elected representatives are chosen.

Sec. 2. Each fraternity and social organization recognized by the Dean and President as entitled to representation shall be guaranteed the opportunity of having at least one representative. Those organizations not receiving a Senate representative in the rising Junior elections shall be guaranteed the opportunity of having at least one Senator from the rising Senior Class. That is, the candidate from an organization not having a rising Junior representative, who receives the highest number of votes, shall be elected.

Sec. 3. The duly recognized independents shall be guaranteed a minimum of three representatives from the rising Senior Class, less the number of Junior independents elected.

Sec. 4. All candidates for Senate membership must have attained a C- average in the previous semester and must not be on probation. Each candidate shall present a petition to the Senate Elections Committee signed by the candidate and at least ten members of his own class.

Sec. 5. If there be more than forty-six candidates from the rising Senior Class, there shall be a preliminary election in which the number shall be reduced to thirty-six, or twice the number to be elected. When a Senior preliminary is necessary, the preliminary shall not remove any candidate from the ballot who would be the only possible representative for a fraternity, social group, or the independents. From the remaining candidates, eighteen shall be elected.

Sec. 6. If there be more than twenty-five candidates from the rising Junior Class, there shall be a preliminary election in which this number shall be reduced to sixteen, or twice the number to be elected. From the remaining candidates, eight shall be elected.

Sec. 7. If there be more than fifteen candidates from the rising Sophomore Class, there shall be a preliminary election in which this number shall be reduced to eight, or twice the number to be elected. From the remaining candidates, four shall be elected.

Sec. 8, Part 1. If a Senator ceases to be a member of the Senate for any reason, his replacement shall be elected by a simple majority vote of the members of the Senate, present at a meeting of the Senate, within two weeks of the announcement in the Senate of his resignation. All such elections shall proceed by secret ballot.

Part 2. If a resignation reduces the representation of a fraternity, social group, or the independents below that number which it has been guaranteed, the replacement must be chosen from the same group as the resigning Senator.

Part 3. If a candidate is to replace a resigning Senator whose resignation does not reduce the representation of a fraternity, social group, or the independents below that number which has been guaranteed in Art. 2, Sec. 2, of the Constitution, he must submit a petition of nomination signed by himself and by at least ten members of his class.

Part 4. If a candidate is to replace a resigning Senator whose resignation does reduce the representation of a fraternity, or a social group, or the independents below the number provided in the above-mentioned guarantee, he must be a member of that fraternity, social group, or the independents and submit a petition of nomination signed by himself and by at least ten members of his class.

Part 5. If a Senator becomes disassociated from his fraternity, social group, or the independents, and, if his election to the Senate was in fulfillment of the guarantees stated in Art. 2, Sec. 2, of this constitution, and if he did not have a sufficient number of votes in the election to have been elected as a representative-at-large, i.e., if his affiliation with his fraternity, social group, or the independents has not caused his election by the above-mentioned guarantee, then he must resign from the Senate; he shall be replaced in accordance with Art. 2, Sec. 8, Parts 1, 2, and 4.

Part 6. If a Senator becomes disassociated from his fraternity, social group, or the independents, and yet his election to the Senate was not dependent on the above-mentioned guarantee, then he shall remain in the Senate as a representative-at-large from his class, and no longer is to be considered to be fulfilling the guarantee of Art. 2, Sec. 2. If this disassociation results in the reduction of the representation of a fraternity, social group, or the independents below the number guaranteed in Art. 2, Sec. 2, of this Constitution, then a representative shall be elected in fulfillment of this guarantee, in accordance with Art. 2, Sec. 8, Parts 1, 2, and 4, just as if the disassociated Senator had resigned from the Senate.

Part 7. In particular, if a person is a Social Brother of a fraternity before the time of the Senate elections, he shall be considered a member-at-large of his class; if elected to the Senate, his election shall not be because of the above-mentioned guarantee, nor shall his election be considered as fulfillment of this guarantee; i.e., he shall be a representative-at-large from his class.

Part 8. If an independent representative becomes a social brother or a member of a fraternity, this will constitute a disassociation from the independents, and his position shall be determined according to Art. 2, Sec. 8, Parts 5 and 6.

Sec. 9. Senate elections shall be held in accordance with the procedures outlined in the By-Laws and under the direction of the incumbent Senate. A full ballot of either eighteen rising Seniors, eight rising Juniors, or four rising Sophomores must be voted in each election. Any incomplete ballot shall be considered void, and this shall be noted on each ballot. In all Senate elections, the candidates shall be placed in alphabetical order on the ballot.

Sec. 10. The results of the Senate elections will be published in the following manner: a listing of (1) those rising Seniors elected as class representatives (2) those rising Seniors appointed as the representatives of a fraternity, social group, or the independents, that group being stated (3) those rising Juniors elected as class representatives (4) those Juniors appointed as the representatives of a fraternity, social group, or the independents, and (5) those rising Sophomores elected as class representatives. The order of the listing of these respective groups will be presented alphabetically. The number of votes received by each candidate will not be published.

ARTICLE III - ELECTION OF OFFICERS

Section 1. The new Senators, within one week of their election, shall elect their officers at the meeting called by, and presided over by, the President of the incumbent Senate, and attended by all the new Senators. The past President of the Senate shall serve as ex-officio member of the Senate during the Trinity Term after Senate elections.

Sec. 2. The President, who shall be a rising Senior, the Vice-president-Treasurer, who shall be a rising Senior, the Recording Secretary, who shall be a rising Junior or Sophomore, the Corresponding Secretary, who shall be a rising Senior or Junior, and the Executive-at-Large, who shall be a rising Junior, shall be elected by a simple majority vote of all the newly elected Senators.

ARTICLE IV - DUTIES OF OFFICERS

Section 1. **PRESIDENT:** The President of the Senate shall automatically be President of the Student Body. He shall preside at all meetings of the Senate, at all meetings of the Student Body called by the Senate, and over all class elections and general elections.

He shall maintain relations with the Administration and Faculty so that all matters delegated by them shall be brought quickly to the attention of the Senate and/or the Student Body and shall be responsible to see that all matters passed or acted upon by the Senate concerning the Administration shall be as promptly brought to their attention.

Sec. 2. **VICE-PRESIDENT-TREASURER:** The Vice-president-Treasurer shall be responsible for the receipt and disbursal of all funds, and the proper accounting for them to the Administration and the Senate. He shall present a monthly statement to the Senate at the beginning of each month, and shall furnish such reports to the Administration when required.

No student shall be eligible for rushing, pledging or initiation into a fraternity unless he has attained an average grade of not less than C— in the entire work of the previous semester.

ARTICLE III

Section 1. Rushing in any form by anyone connected in any manner with a fraternity shall be deferred until the prospective associate enters his sophomore year. There shall be free association between upperclass fraternity men and Freshmen on the Trinity College campus.

Sec. 2. All off-campus fraternity parties, either public or private, at which Freshmen are to be present, shall be made known to the IFC at least two weeks in advance of the party date. If such parties are judged to be rushing parties by a majority of the Council, they shall be prohibited.

Sec. 3. Rushing of Sophomores shall be deferred until the day previous to registration in September at 12 noon. Signing of Sophomores for meals may begin the first day of registration at 9:00 a.m. Rush Week shall be five days long. Voting and "Picking Up" shall take place on the sixth day.

Sec. 4. Rushing and pledging of upperclass transfers may commence coincident within the dates specified for other upperclassmen, or at any date thereafter.

ARTICLE IV

Section 1. Initiation of pledges who are not transfers may take place at any time after their pledging.

Sec. 2. Initiation of transfer pledges may take place at any time after the beginning of their second semester at Trinity College provided they have attained the minimum average of C—.

ARTICLE V

Section 1. Rushing of upperclassmen shall commence on the first day of registration in September at 12 noon. Communication between fraternity men and upperclassmen from 10:00 p.m. on the last rush night until 5:00 p.m. on the day of voting shall be prohibited.

Sec. 2. Eligible rising Sophomores shall not be permitted to visit fraternities previous to rush week.

Sec. 3. At no time during the rushing period shall any fraternity member, including alumni members, carry on off-campus rushing.

Sec. 4. At no time prior to Rush Week shall any Freshman enter any fraternity house or the quarters of any social organization aspiring to become a fraternity except with the special permission of the IFC.

ARTICLE VI

Section 1. No eligible man shall accept more than four invitations to meals at any one fraternity house during the rushing period, and not more than two of these meals shall be each of the following: luncheon and dinner.

Sec. 2. During rushing, entertainment at the fraternity houses shall be between 12 noon and 9:00 p.m. on the first four days and between 12 noon and 10:00 p.m. on the fifth day, unless stated otherwise by the IFC. Fraternity men shall not visit with Sophomores in the dormitories except between the hours of 8:30 a.m. and 9:00 p.m. on the first four days of Rush Week and between 8:30 a.m. on the fifth day and 10:00 p.m. of the fifth and final day.

Sec. 3. There shall be no pocket pledging, or indication given that a fraternity wishes to pledge the rushee before the appointed time.

Sec. 4. During the rushing period no liquor shall be consumed on the premises of any fraternity house. This eliminates consumption of liquor by fraternity men during the rushing hours.

Sec. 5. Bids binding to the fraternity but not binding to the prospective pledge may be given on the last day of rush week beginning at 5:00 p.m. **No pressure is to be exerted on the prospective pledge for an answer to the bid.**

Sec. 6. Parties held the final night of the rushing period are to be considered closed parties in each fraternity. One man designated by each fraternity's IFC representative will have the authority to enter any fraternity house for a brief period for the purpose of presenting a bid. A list of these representatives will be sent to each house president previous to the final evening.

Sec. 7. Between 9:00 a.m. and 12:00 noon of the morning following the conclusion of the rushing period each prospective pledge shall have the opportunity to deposit in a box provided by the Interfraternity Council, and on blank forms provided for that purpose, his choices of fraternities with which he desires to be affiliated. He may indicate first, second, and third choices. At 1:00 p.m. on that day statements of choice shall be examined by a committee consisting of the heads of the active chapters and their IFC representatives with the president of the Interfraternity Council presiding. The results shall be reported to each house for action.

Before 5:00 p.m. on that day the head of each active chapter shall report to the committee its acceptance of such men as may please it from the list of men making that fraternity their first choice. Of those not accepted, the fraternity receiving the second choice may make selection. The same procedure shall be followed in the case of a third choice.

A fraternity, having extended a bid, must pledge the man if he has voted first choice for that fraternity, but it is not bound by the bid if the man votes for that fraternity second or third choice, or if he does not vote at all.

Sec. 8. In the event of infraction of this agreement, whether by an active chapter or its alumni or a Freshman or a group of Freshmen, the offending fraternity and the offending Freshmen shall be liable for such penalties as the IFC shall determine.

Sec. 9. Ineligible Sophomores shall not be allowed in the fraternity houses until after 5:00 p.m. on the day of voting and pickup.

ARTICLE VII - PENALTIES

Section 1. A Freshman guilty of illegally associating with fraternity men will be required to come before a special session of the IFC. If found guilty, he will receive any or all of the following:

- a. He will not be able to pledge a fraternity until one semester after he has attained his C— average.
- b. He will not be permitted on the property of any fraternity until January 1st of the first semester and May 1st of the second semester except for college business.
- c. Publication in the *Trinity Tripod*.

Sec. 2. A fraternity guilty of rushing members of the Freshman Class and found guilty by the IFC will receive any or all of the following degrees as determined by the Council.

- a. To be penalized any fraction of, or the whole of the rushing period.
- b. A monetary fine of at least fifty dollars with no maximum.
- c. To be penalized party privileges and other social privileges.
- d. Publication in the *Trinity Tripod*.

CONSTITUTION OF THE TRINITY COLLEGE

FRESHMAN EXECUTIVE COUNCIL

ARTICLE I - NAME

The co-ordinating body of the Freshman Class shall be called the Freshman Executive Council (hereafter referred to as the F.E.C.).

ARTICLE II - PURPOSES

Section 1. The F.E.C. shall be a liaison between the Freshman Class and the administration and the Senate of the College.

Sec. 2. The F.E.C. shall organize frequent class functions and otherwise encourage identification of the individual Freshman with both the College and his Class.

Sec. 3. The F.E.C. shall voice the suggestions and complaints of the Freshman Class to the College.

Sec. 4. The F.E.C. is not a disciplinary or a rule-making body, except in respect to disciplining its own members and making rules for its own governance. It shall have no power to enforce rules that govern the Freshman Class or to take any action contrary to the rules and interests of the College.

ARTICLE III - MEMBERS

Section 1. F.E.C. members shall be elected during the second week of the school year. Each member shall be elected by a vote of those specific members of the Class whom he will represent and to whom he will be responsible.

Sec. 2. If a member of the F.E.C. is absent from more than 5 meetings a year without being represented by a proxy chosen by him from the Freshmen he represents for at least 3 of those meetings, he will be considered to have resigned from the F.E.C., and his seat shall be declared vacant.

Sec. 3. If three or more members of any one constituency feel that their representative is less than satisfactory, they may voice this complaint to the executive council of the F.E.C., which, in conjunction with the F.E.C. adviser, shall investigate the situation and, if necessary, present its findings to the F.E.C. for further action.

Sec. 4. A member may be removed from the F.E.C. by action of two-thirds of all the remaining members of the F.E.C. and with the approval of the Dean of Students, provided all the members have been given one week's advance written notice that such action is to be considered at a specific regular meeting.

Sec. 5. If a vacancy occurs in the F.E.C., regardless of the cause, it shall be promptly filled by an F.E.C. supervised election. The new member shall be one of and be elected by the Freshmen whom the former member represented.

Sec. 6. The term of all members of the F.E.C. shall terminate on Commencement Day of the Freshman year, except those of the F.E.C. officers.

Sec. 7. The officers' responsibility shall be fulfilled after the third meeting of the following year's F.E.C., but they shall remain on call, as advisers, for the rest of the school year.

ARTICLE IV - PROXIES

Section 1. If a member of the F.E.C. expects to be absent from a meeting, he may, at his discretion, appoint from the Freshmen he represents a man to act as his proxy and, in the absence of that F.E.C. member, to exercise his right to participate in voting at that meeting.

Sec. 2. The power of the proxy shall be valid only for the meeting specified and shall be evidenced by a statement in writing from the member he represents.

ARTICLE V - OFFICERS

Section 1. At the third meeting of the F.E.C., a President, a Vice-president, and a Secretary-Treasurer shall be elected by the entire membership of the F.E.C. These officers shall conduct the business of the F.E.C.

Sec. 2. The President of the F.E.C. shall be the representative of the F.E.C. on the Senate, subject to the Senate's rules.

Sec. 3. The Vice-president shall act as the President during the absence or disability of the President and shall perform any other duties that may be assigned him by the President.

Sec. 4. The Secretary-Treasurer shall be required to keep accurate records of receipts and expenditures of the F.E.C. treasury which is the class treasury. He shall make financial reports when required by the President and at the first meeting of each month. He shall keep accurate minutes of each meeting and an official record of the Constitution and By-Laws.

Sec. 5. The F.E.C. officers shall be responsible for coordinating and arranging the election of the next year's F.E.C.

ARTICLE VI – MEETINGS

Section 1. Regular meetings of the F.E.C. shall take place once a week at a time and place specified by the President. In the event that there is no business to be conducted, the President has the prerogative to cancel a regular meeting.

Sec. 2. Special meetings of the F.E.C. may be called by the President, the Dean of Students, or on a petition of one-third of the members of the F.E.C. to the Dean of Students. Written notice of a special meeting must be given to each member at least 24 hours in advance of the meeting.

Sec. 3. Except as this Constitution and By-Laws shall otherwise provide, all meetings shall be conducted under *Robert's Rules of Order* (revised edition).

Sec. 4. Two-thirds of the F.E.C. members shall constitute a quorum.

Sec. 5. All meetings are open to the Freshman Class. The chair may recognize any member of the Class who desires to speak.

ARTICLE VII – COMMITTEES

Section 1. Regular or special committees shall be appointed by the President at his discretion or on the direction of the F.E.C., and may be composed wholly of F.E.C. members or may include Freshmen who are not F.E.C. members.

ARTICLE VIII – RATIFICATION, AMENDMENTS, AND BY-LAWS

Section 1. This constitution shall become effective for the F.E.C. of the current and all succeeding years when ratified by an affirmative vote of three-fourths of all the members of the 1965-66 F.E.C. and approved by the Dean of Students.

Sec. 2. This constitution may be amended by a vote of three-fourths of all F.E.C. members taken at a regularly scheduled meeting. A motion to amend must be made at a regularly scheduled meeting not less than one and more than two weeks prior to the meeting at which the vote is to be taken. Written notice, including the text of the proposed amendment and the date of the meeting at which the vote is to be taken, must be given to all the members not less than 48 hours nor more than one week prior to the meeting at which the vote is to be taken. All amendments are subject to the approval of the Dean of Students.

Sec. 3. By-Laws may be ratified or amended if approved by two-thirds vote of the entire membership of the F.E.C.

By-Laws of the Constitution

ARTICLE I – OFFICERS

Section 1. Until officers are elected, the President of the F.E.C. from the preceding year shall conduct the meetings.
